FROM: Office of Fire Protection Services / Arkansas Department of Emergency Management
Kendell Snyder, State Fire & Field Services Office
DATE: 2013 Funding Period (Opens Jan. 1, 2013 – Closes Oct. 31, 2013)
SUBJECT: Application Guidance, Certification Forms, Invoices, Training Requirements, & Audits

Application Forms:

Act 833 application forms can be downloaded through the ADEM web site (www.adem.arkansas.gov), under administration, then Fire Services section (Act 833) and are not available by mail or fax. Applications must be post marked no later than October 31 of each funding year. Applications may be emailed or faxed, however must be in my inbox by midnight on October 31st. Any application received after the deadline date will not be funded. All applications returned for corrections after the closing date of the funding year will have fifteen (15) days to get the corrected application back to ADEM to qualify for funds or application will not be funded.

Invoices:

The Department of Finance & Administration requires copies of invoices for all items listed on the Annual Expenditure Report (Form DFA-FP-7A). In addition to the completed expenditure form, please remit all invoices and pertinent documentation related to purchases made under the Act 833 of 1991 program. Submit only copies of invoices that are standard letter size (8.5" X 11"). **No** voided checks or bank statements. **Original copies, bid proposals, or invoices without vendor information Will Not be accepted.**

(Please **Do Not Staple** invoices.)

Training Requirements:

Act 833 certified fire departments & active firefighters are required to train a minimum of sixteen (16) hours per year of certifiable training meeting the standards of the Arkansas Fire Training Academy. Departments must have a minimum of six (6) active firefighters that engage in firefighting capabilities (Act 808 of 2009) from January 1, 2012– December 31, 2012 to qualify for 2013 funds.

Audits:

Act 833 funds are subject to audit; therefore, they must be used in accordance with Act 833 rules and random, on-site audits will be conducted on fire departments which receive or have received Act 833 funds. This action, approved by the Department of Finance and Administration and the Arkansas Fire Protection Services Board, will ensure funds are being used legally. Affected fire departments will be given notice to set up an appointment with the auditing agency if selected.

 - b. Introduction to Fire Fighting

c. Protective Equipment

2. Department must report assignment of CTO position to the Arkansas Fire Academy

- a. A department may have more than one CTO
- b. If a department loses a CTO, they may use another qualified instructor from another department until one can be put in place

NUMBER OF PERSONNEL IN DEPARTMENT – number of personnel in department covered by Workers Compensation. These personnel should include firefighting personnel, staff personnel (secretary, treasurer, etc.) and support personnel (Board of Directors, etc.).

NUMBER OF ACTIVE, ACT 833 FIREFIGHTERS - number of department personnel responding to a fire scene wearing personal protective equipment (PPE), and actively taking part in firefighting operations. These personnel are required to have 16 hours of certifiable training annually

Assurances

Checking yes indicates that the listed equipment and records are present and available for inspection.

1. EQUIPMENT

- A. Every department must have at least four SCBA outfits, with one for each five firefighters.
- B. Must have one extra cylinder for each SCBA units, with a minimum of four per department.
 - SCBA shall meet NFPA standard 1500, 2007 edition 7.11.1.1 through 7.11.1.2
 - SCBA cylinders are required to be hydrostatic tested as required by NFPA 1500, 2007 edition.7.14.1,7.14.2
 - Annually for aluminum cylinders made of aluminum alloy 6351-T6, all others according to manufacturers requirements.

NOTE: SCBA currently in use which does not meet NFPA standards may continue to be used, if they are positive pressure type, until it can be replaced with NFPA compliant units.

2. PERSONAL PROTECTIVE EQUIPMENT

Each certified, active firefighter is required to have a full set of PPE meeting NFPA standards, ref NFPA 1500, 2007 edition.7.19.1, 7.19.2

- PPE and SCBA purchased new must meet NFPA standards current at time of purchase. PPE and SCBA purchased used shall have met NFPA standards current at the time of manufacture. (SCBA must meet 1992 or newer standard)
- NFPA compliant equipment should have a label stating which NFPA standard the item meets.

NOTES:

- 1. Firefighters that do not have a complete set of PPE will **not** be used on the fire ground of a structure fire except in exterior fire fighting operations & then only in areas where the incident commander deems appropriate for the PPE the firefighter is using.

2. PPE currently in use may continue to be used until it can be replaced with NFPA compliant equipment.
3. NFPA compliant equipment should have a label stating which NFPA standard the item meets.

3. TRAINING & TRAINING RECORDS

- Training Records - records of classes, drills and in-house training. Include subject, time in class, date of class/drill and instructor.

Act 833 certified fire departments & active firefighters are required to have a minimum of sixteen (16) hours of certified training per year. This training must fall within the standards & guidelines set & maintained by the Arkansas Fire Training Academy (Act 808 of 2009).

Firefighters shall complete the following courses during their first year of service:

- INTRODUCTION TO FIREFIGHTING – up to 16 hours in the Introduction to Firefighting course conducted by Arkansas Fire Academy (AFA). Other courses acceptable are: Basic FF Course conducted by (AFA), Firefighter I, II or III, including Minimum Standards Course conducted by (AFA).
- PROTECTIVE EQUIPMENT – up to 16 hours in the Personal Protective Equipment course conducted by Arkansas Fire Academy (AFA).
Exception: When a person has a doctor's statement on file (at the fire department) exempting them from the practical part of the course involving use of SCBA, this person may be used as support personnel (i.e. operating pump, directing traffic, etc.)

WILDLAND FIRE SUPPRESSION – up to eight hours in the Wild land Fires course conducted by Arkansas Forestry Commission (AFC). This can be coordinated through your county Fire Services Coordinator. **NOTE: 1. Firefighters' that have not completed the Wildland Fire Suppression course, the firefighter shall be under the direct supervision of an experienced firefighter or fire officer at a wild land fire.**

- Exception: Firefighters who are members of municipal departments in cities with a population of more than 10,000 or fully paid firefighters are not required to complete this course.
- A firefighter who receives more certified hours than required in a year may carry over the additional certified hours to the next year only. (A.C.A. 20-22-806)

NOTE: Must have a minimum of six (6) trained firefighters for departments to qualify for Act 833 funds.

4. WORKMEN'S COMPENSATION (RURAL DEPARTMENTS ONLY)

Firefighter names & SSN's of all department members (Active and Non-Active) must be submitted to the county clerk's office, updated annually.

5. REQUEST FOR FUNDS (Rural Departments ONLY)

This section replaces Form DFA-FP-1A. Rural departments can receive no more than requested in this section. (Example: A department asks for \$5,000 but actually has \$5,500 available as their share of Act 833. The Department of Finance and Administration can only award the amount requested on the form.) A good guideline to use is to ask for more than received from the previous year. If no money was received from the previous year, check with the county fire coordinator to see how much was available.

Rural and Fire Protection Districts must have three (3) signatures (Fire Chief, County Fire Coordinator, and County Judge).

Municipal Departments must have signatures by Fire Chief and Mayor.

FORM DFA-FP-7A – Expenditure Report – **Must be submitted annually.**

Contact person/daytime Phone number: This is the person who completes the expenditure report.

Clarification of Terms

Carry Forward:—will equal the “Unspent Allocation” from the previous year

Unspent Allocation: ---- This is the total amount of Act 833 funds received by your department that have not been spent and accounted for through invoices. This will be the “carry forward” for the next year. **This is the amount of money that is available or “on hand” as of January 1 2013. (Or after receiving any redistribution payments, if applicable) Act 833 funds can be saved for up to 10 years, if allocated for a project(s).**

Report funds received and spent during the period (Rural & Municipal reporting period is each calendar funding year). **Redistribution funds may arrive after the new calendar year begins, however they must be entered in the expenditure report for the previous year (reporting period).**

Total the “FUNDS RECEIVED” column, subtract the “FUNDS EXPENDED” total and the remainder, if any, goes in the “833 Funds to allocate” line. Individual items that you plan to purchase in the future should be listed in the “Items allocated to purchase in the future” column. The total of that column must equal or exceed the amount shown in the “833 Funds to allocate” line.

ATTENTION **SPENDING GUIDELINES**

The State Fire Protection Services Program - Act 833 of 1991 is to provide funding for improvements to qualified fire departments and is not intended to fund the daily operational funding for fire departments. **All expenditures using Act 833 funds must be directly related to firefighting capabilities.** Any items purchased must be from the three (3) procurement categories established by the Department of Finance and Administration (see categories below).

Act 833 Procurement Categories:

- Firefighting Training (approved courses only):
 - Allowable training conducted through the Arkansas Fire Training Academy, National Fire Academy, Arkansas Department of Emergency Management courses (HAZMAT, ICS, NIMS, ECT) and/or fire training centers, colleges or universities (i.e., Texas A&M, University of Memphis, Oklahoma State University, ECT) & must be approved by the Arkansas Fire Protection Services Board.
 - Allowable items include (but not limited to) classes, training videos or CDs, projectors, internet service, computers or any justified expense under this section.

**** NEW****

- Training tuition, travel and lodging/meals are allowable expenses for certified training classes only. Tuition, travel and lodging will NOT be paid for out of state classes if those classes are available in-state.
 - Classes must be approved by AFTA prior to enrollment/attendance.
 - Travel and lodging meals will be paid at the federal per diem rate for the venue in which training is held
 - Federal rates can be found here:
<http://www.gsa.gov/portal/category/21287>
 - Mileage reimbursement rates are 0.42 per mile, based on paper or electronic major route map mileage. Arkansas rules can be found here
<http://www.dfa.arkansas.gov/offices/accounting/Documents/travelRegs.pdf>
 - **Meals and lodging expenses will require invoices.**
 - **Mileage expenses will require written verification from the fire chief stating name and dates of class, presenting institution, map mileage to and from class.**
 - **Fuel invoices are not required for training travel.**
- Procurement of new or modernization of current firefighting equipment:
 - Preventive maintenance, maintenance and refurbishment items are permissible.
 - Allowable items include (but not limited to) batteries, filters fuel, oil, tires, parts, bunker gear, SCBA's, hose, appliances, tools or any justified expense under this section.
 - Fuel expenses are allowed for fire apparatus only, and should have the vehicle/unit designator- members name on the invoice.
 - Non-allowable items include uniforms, bank charges, insurance for buildings, utilities, professional or contractual services, etc.
 - Capital expenditures and/or security pledges (ten (10) years or less) to be used in the financing of firefighting equipment, initial capital construction, or improvement of fire departments:
 - Allowable items include (but not limited to) purchase of property, construction of stations, firefighting apparatus or any justified expense under this section.

IMPORTANT NOTICE:

Report only expenditures made during the reporting period. Be sure to list the date purchase was made, the item/items purchased, and the amount of the invoice. If you order something, include the shipping charge in the cost of the item. DO NOT LIST SHIPPING CHARGES SEPARATELY!
