MEMORANDUM

TO: All Bidders
FROM: Scott Bass 
DATE: January 19, 2011
RE: RFP 10-0002 Evaluation Update

The evaluation process for all proposals has recently been delayed due to previous winter weather events and the potential of additional winter weather in Arkansas. We are anticipating another 7-14 day completion date to finalize the review. Any future updates and/or contract awards will be posted on the ADEM website <http://www.adem.arkansas.gov>.
