## **NASASP Associate Membership**

Arkansas Federal Surplus Property and the National Association of State Agencies for Surplus Property (NASASP) are dedicated to the pursuit of obtaining Federal surplus personal property for local programs like yours. We know that budgets are tight. We know that you, like many local governments, schools, non-profit organizations, and volunteer emergency services, are scrambling to meet the ever-increasing needs of your constituents in spite of ever-decreasing resources to meet those needs. NASASP and AR FSP are here to assist you in cutting your expenses by providing surplus property at low cost.

However, we are also scrambling to meet your needs. Federal surplus property transferred to FSP Donation program has declined over the last ten years. Each State Agency for Surplus Property is but one voice in a sea of many with respect to requesting property from the Federal Government. Even as an Association, we are only 56 voices strong. The most powerful way to make your needs heard in Washington is for all of us to join as one voice. This is your opportunity to join with that one voice, to express your concerns regarding the decreasing availability of the equipment and supplies that enable your community to survive, that enable your community to thrive.

You are not required to join NASASP to receive Federal surplus Property, but you and your organization can show your support of the donation program by joining and becoming a NASASP Associate Member. Associate Membership dues are only \$39 annually – a small cost to ensure the continued availability of heavy equipment for your municipalities, of emergency equipment to protect the men and women who protect your community, of educational supplies to ensure that your children are prepared to enter society as productive adults and more.

Please, consider joining your voice with ours. Together, we can protect and enhance the Donation Program that has provided so much for so many. Thank you for your loyal support for the continuance of the donation program.

To join go online to [www.nasasp.org](http://www.nasasp.org) – click on ‘Membership’.
