Storm Shelter Rebate Program

CAMP JOSEPH T. ROBINSON, NORTH LITTLE ROCK, AR – The Arkansas Department of Emergency Management will not be accepting any new storm shelter rebate applications for state fiscal year 2016 (July 1, 2015-June 30, 2016). Applications received in the last state fiscal year were enough to deplete all funding for this state fiscal year. The Arkansas Department of Emergency Management will begin processing rebates for the current backlog of all approved applications on file starting in July. It is expected that this program will wind down and not continue in future years. More information regarding the storm shelter rebate program will be available as it develops.

The Arkansas Department of Emergency Management (ADEM) is the state's homeland security and preparedness agency. The agency works to identify and lessen the effects of emergencies, disasters and threats to Arkansas by developing effective prevention, preparedness, mitigation, response and recovery actions for all disasters and emergencies. For additional information, contact ADEM at (501) 683-6700 or visit the website at www.adem.arkansas.gov.
